### **Swimming lessons for Year 5 children**

Dear parents/carers,

We are writing to inform you that Gateway has been set up to allow you to make your voluntary contribution towards the Year 5 swimming lessons.

The payments have been set up so that the cost from 31<sup>st</sup> October to 26<sup>th</sup> March is spread across five months of payments, where the payment is £24 each month. There will be an additional option so that you will be able to pay the full amount if you prefer.

To clarify, the payments are set out as follows:

November: £24

December: £24

January: £24

February: £24

March: £24

As part of the National Curriculum, swimming is a compulsory lesson for the children to partake in at school. However, your payments are voluntary contributions and we greatly appreciate every one that is made. In making your contribution, you are allowing the school budget to be used in other ways that will also benefit your child, including numerous resources, funded trips and experiences and the list goes on!

Thank you for your support and we are sure the children are looking forward to their swimming lessons.

Kind Regards

Lodge Farm
