## Happy holiday!

It is the end of another half term at Lodge Farm and we are all ready for a rest. Have a lovely time with lots of fun with family and friends. We look forward to seeing you back in school on Monday 26<sup>th</sup> February for more learning and preparing for our class assemblies!

We also hope the Year 6s have fun preparing for their residential and activity week. We know you will have a brilliant time and can't wait to hear all about it.

## School car park

Please be aware that the main school gates will be closed at 8:15am. Parents should not buzz the office to park in the staff car park after this time as it becomes too busy and unsafe.

Thank you for your co-operation.

## Eat Them to Defeat Them!

Do you need help defeating the veg on your plate? The children have been given packs to add stickers every time they defeat a new vegetable. Look at your pack for competitions to enter as well! If children enjoy this, please let us know and we will look to do it in school next year.

## Prime Energy Drinks

It has come to our attention that a number of children are bringing Prime bottles into school. When the bottles are being reused and are therefore filled with water, this is fine.

However please be aware that Prime drinks are not allowed in school. Children should also be reminded to never share their drink with anyone else, as this is how illnesses are spread.

Thank you for your help.

### Book Swap

Please bring in any books that you would like to donate. We are happy to take them on the gate or for them to be brought to the office.

As many as you can spare!

### Attendance

**The whole school attendance this week is 91.7%**

As a school, we are aiming for 97% attendance.

Remember to be back in school on Monday 26<sup>th</sup> February!

If you would like a meeting about your child's attendance or if we can offer any help or support, please email the office and ask to speak to Mrs Simpson or Mrs Bull and we would be happy to help.

Remember, you can check your child's attendance on Arbor!

### Pancake Races

The children had lots of fun on Tuesday. As it was Pancake Day, we decided to hold pancake races! The children split into their different houses and ran down their racing line with a frying pan and a pancake. We could hear the cheering throughout the school and some of the flips were spectacular!

The House Captains were on hand to help keep track of scoring and the final results are in: Well done to Fire house!! With 407 points!

Please see our Facebook page for some photos of the races.

### Sewing Club

The children from sewing club have worked really hard over the last few weeks and it was lovely to see how proud they were of their finished bookmarks 😊

## Children's Achievements

Congratulations to Kristupas, who earned a green belt in GPC Mixed Martial Arts.

We look forward to seeing you continue to move through the belts. Well done!
