

**Lodge Farm Primary School**

## **Uniform Policy**

**Reviewed: January 2024**

At Lodge Farm, we want children to be proud of our school and to wear the correct uniform. The uniform is simple, but smart. It helps the children to identify with each other and with our local community. All uniform should be clearly named to ensure it does not get lost or misplaced. If children are not wearing correct uniform a phone call to parents will be made to ensure that this is corrected and any support needed with this will be put in place.

### **Pre-loved uniform:**

We know that uniform can be expensive, therefore a range of pre-loved uniform is available to all in school. We try to bring this uniform out at various school events so before buying new uniform, do consider using this option.

Please contact Mary Bull, our Family Support Worker, for more information ([MaryB@lodgefarm.herts.sch.uk](mailto:MaryB@lodgefarm.herts.sch.uk)).

Donations for our pre-loved uniform collection are also warmly welcomed.
