### EYFS Craft Evening

Monday 20<sup>th</sup> March is officially the first  
day of spring and as such, we would  
like to invite our Nursery and  
Reception parents to attend our  
Spring Craft Evening!

Parents will be invited into the Nursery and  
Reception classes at 3:30pm. There will be spring craft activities  
to complete with your child. We would also encourage parents to  
bring some snacks and drinks along to enjoy with their children  
on the picnic blankets that we will have laid out in the  
classrooms. The evening will then end at 4:15pm.

If you would like to attend, please sign up via Gateway and  
specify how many will be attending. There is no payment to be  
made but knowing numbers in advance will help with resources.  
Siblings are welcome (please ensure you mention them on  
Gateway).

Keep an eye out for posters on the classroom doors!

Thank you all for  
bearing with us  
whilst our server  
was down. It was  
a bit tricky

without internet or phones but we  
appreciate your understanding. The  
issue has now been resolved and we  
are back online!

### House Points

We are rolling our  
house points over this  
week so stay tuned for  
the results!

**Extra-curricular clubs**

Sign up for next half term's extra-curricular clubs will be circulated next week. Please ensure you keep an eye out for which clubs are available for your child's year group!

**Attendance**

The whole school attendance this week is 90.5%

As a reminder, 'good' attendance is 97% or higher.

Improving attendance is something that we are focusing on at Lodge Farm. Therefore, the parents of any child with attendance below 90% will be contacted to discuss this.

If you would like any support in improving your child's attendance, please contact Alexa Simpson or Mary Bull.

Year group	Attendance
Reception	81.8%
Year 1	89.9%
Year 2	93.3%
Year 3	90.9%
Year 4	90.4%
Year 5	93.3%

**Class Assemblies:** We are delighted to welcome parents back into school for class assemblies this term. The children will present what they have been learning, enjoying and participating in at school. Following the assembly, parents will then be invited back into the classrooms to see where their children's learning takes place and look at their books. The assembly will last for roughly 15 minutes and the classrooms will remain open to parents for 20 minutes.

**Traffic at drop-off and collection**

Once again, we must request that parents be considerate during school drop-off and collection times. Unfortunately, some parents are still stopping on driveways and at the zebra crossing in order to drop off or collect their child. We will be keeping note of any registration number plates that we see doing this in the future.
