parents. Dates TBC
- 26.6.23 – Y6 Residential and Activity
Week
- 13.7.22 – Transition Day
- 14.7.22 – End of year reports

Art Exhibition!

We are excited to announce that Lodge Farm will be holding an art exhibition!

EYFS and KS1: Wednesday 3rd May 2023

KS2: Thursday 4th May 2023

The children are busily working away on their masterpieces, based on art styles from different countries around the world. These artworks will be professionally mounted and framed then displayed in the hall.

Parents and children will be invited to attend the exhibition with parents given the exciting opportunity to purchase their child's framed artwork for £7 (including the frame). All proceeds will go towards buying new playground equipment for the children to use at playtimes.

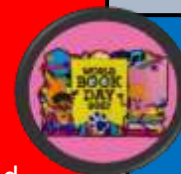

So, save the date and swot up on the most up-to-date art techniques ready to peruse and discuss the brilliant pieces created by your own children!

World Book Day:

The children had a lovely time reading some of their favourite books in class and really enjoyed sharing story time with their parents. We hope you enjoyed it too!

Well done to Nursery who were given a challenge to read 100 books in a week... and they managed it! What a fantastic effort. Their busiest day was Tuesday, where across the class they reported reading 50 books!

House Points

House Points have rolled over to next week as assemblies were not held on Wednesday

Summer Uniform

Reminder: Please speak to our Family Support Worker, Mary Bull, before buying any summer uniform. You are likely to find that she has some 'good as new' pieces just the right size!

Attendance

The whole school attendance this week is 92.2%

Please be aware that **every minute counts!** We want to make sure that every child arrives to school on time, every day. Most classes carry out their reading sessions after they have completed the register, so if your child is late, they may miss out on valuable learning moments.

If you would like any support in improving your child's attendance, please contact Alexa Simpson or Mary Bull.

Year group	Attendance
Reception	87.0%
Year 1	91.4%
Year 2	92.7%
Year 3	93.5%
Year 4	93.7%
Year 5	93.4%
Year 6	94.0%

Support Garden House Hospice Care by purchasing one of their little knitted chicks filled with a Crème egg!

These raise vital funds for Garden House Hospice Care. This campaign has raised, on average, £10,000 a year with every penny donated to the care of patients, families and carers facing life limiting illnesses in our community.

These cute knitted Charlie Chicks are on sale from Monday 6th March on the KS1 & KS2 playgrounds after school the region for a suggested donation of £1, or £2 (cash) with a hat. Each comes with its own Crème Egg, making it the perfect gift to put a little smile on the faces of loved ones, friends and even neighbours as we approach Easter.

Year 5 trip to the Science Museum

Year 5 had a brilliant time at the Science Museum! They carried out lots of fantastic interactive activities

One Y5 child said, "The Wonderlab was the best bit! We had a race sitting on a pulley-system. We had to pull the ropes to get all the way up and all the way down. I won!"

We would like to say a big thank you to those parents who made this trip possible.
