Herbert

Friday 20th January 2023

Dear Parents/carers,

We are excited to confirm that the Year 5 school trip to the Science Museum has been booked for **Thursday 2nd March 2023**.

This will be an all-day experience at the Science Museum in London. The children will have the opportunity to participate in various science activities to launch our new topic, space. On this day, please arrive at Lodge Farm at normal time, **8:45am**, as the coach will be leaving promptly. Dependent on traffic, we will be aiming to **return to Lodge Farm by 5:30pm**. Please pick your children up from the Key Stage 2 playground as normal at this later time. Should we arrive back to school later than planned, we will inform you via text message.

On the day of the trip, your child will need to bring:

- A packed lunch
- An additional snack (optional)
- A drink
- Wear school uniform and comfortable shoes
- A **coat** is advised and we will be walking to and from the coach

We will bring your child's appropriate medication with us should they need this on the day.

We are asking for a voluntary donation for the trip of **£16.50** per child. This covers the cost of the coach. Please note, if we do not receive enough donations, the trip will have to be cancelled. Both consent and payment can be made via School Gateway. These will need to be completed by **Friday 10th February 2023**.

If you do not wish your child to attend, please inform the office by **Friday 3rd February 2023** so alternative arrangements can be made for your child.

Following our cinema experience, we are looking forward to this trip and believe it will be a practical and engaging experience to launch our new learning in Science.

If you have any further questions or would like to speak to us about the trip, please do not hesitate to contact us.

Kind regards,
Miss Bailes and Mr Tuck
