Dear Parents and carers,

We are looking forward to a new half term with lots of fun, extra-curricular activities! Please see the details below on which clubs are available and how to book onto them.

School-run clubs

Please see the timetable below for after school clubs next half term. The school-run clubs will start week beginning 24th April 2023.

If you would like your child to attend, please log on to Gateway. There is a maximum allowance of children for each club and this limit varies depending on the club. Places will be allocated on a first-come-first-served basis. Sports clubs will be rotated each half term to allow all year groups the opportunity to book.

Please note: We want everyone to enjoy themselves and go home with smiles after learning a new skill or game! However, time is limited and in order to maximise everyone's enjoyment of the session, disruptive behaviour will not be tolerated. A warning will be given following disruptive behaviour. Parents will be informed if the behaviour continues and the place may be reallocated if necessary.

Thank you very much for your support in ensuring we can work to encourage children to enjoy and participate fully in the activities, for us to maintain a fun and safe environment for all.
